

Cold sore relief | Cymex Ultra | **Cymex Cream**

Cymex Cream

At the first sign of that telltale cold sore tingle, reach for Cymex and take the first steps to recovery! Cymex offers effective fast relief from cold sores and starts working from the moment you use it.

How it works

Cymex Cream's triple action formula soothes the telltale tingling sensation of cold sores, relieves painful chapped lips and controls infection helping to get your lips back on top form.

How to use Cymex Cream

Simply smooth Cymex over your lips as soon as you feel a suspicious tingle or burning sensation. Repeat every hour until the cold sore fades and your lips will feel smooth and supple once more.
